

## **Product description Samsung Galaxy Tab A T295 (2019) 8.0 WiFi + LTE 32GB - Black EU**

A tablet you can rely on

Discover a tablet you can rely on, take with you everywhere and which also lets you go a step further: the Galaxy Tab A 8.0 (2019). It has a slim, compact and light design, can be held comfortably in one hand and delivers a balanced mixture of performance and comfort. The speakers are installed on the bottom of the tablet, leaving the aluminium back completely free. You also have the option to connect to the internet when out and about thanks to LTE mobile technology (requires corresponding mobile card and contract).
